**Dr. Hanan Ashrawi: Murder of Amer Snouban is a monstrous act of brutality motivated by hate and encouraged by impunity**

The vicious murder of 18-year-old Amer Snouban at the hands of Israeli occupation forces is a monstrous act of brutality against a defenseless young man whose only crime was being Palestinian. Israeli occupation soldiers兵gedoned Amer this down and medical authorities have confirmed that he was brutally assaulted to put the body of the young man left alone.
